GUT REBALANCING PROTOCOL

MODULE 2 – DIGESTIVE DOMINOES…

INSTRUCTIONS…

🌼 We highly recommended to do each ACTIVITY in the ORDER listed and do ONLY one a day, over the course of the week.
💡 Every day, open your mobile phone 📲 calendar & create a NEW event that is your "GRP ME" time... scheduling in time for YOU 🧡
❓ Got a question? Get into your GRP HUB and ask other GRP'ers or post your question(s) in the LIVE Q&A broadcast post (pinned to top). They will be answered in the LIVE Q&A.
🎉 Anytime, in the GRP Hub, share your progress and successes with photos, or videos… both Food and Lifestyle.
⚠️ Your next week's MODULE is released on a Saturday evening, in readiness for the start of your module week on Monday. It's in the drop-down menu in your Member Hub.
